On Wednesday, Kimberley and Alyssa, on behalf of the team leading literacy across the school, accepted an award from our Executive Director, Cathy Brennan. The award was to acknowledge the tremendous work that Kimberley, Alyssa, Alison and Betty have led to ensure each and every student at the school is engaging in literacy, learning to read and write. HOMEBASE BLUE

Welcome to Blue Block News Term 3 Week 3

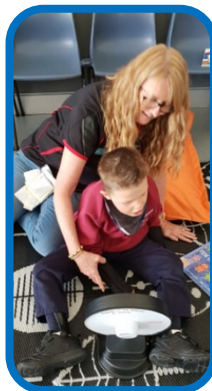

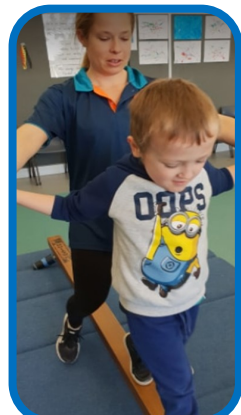

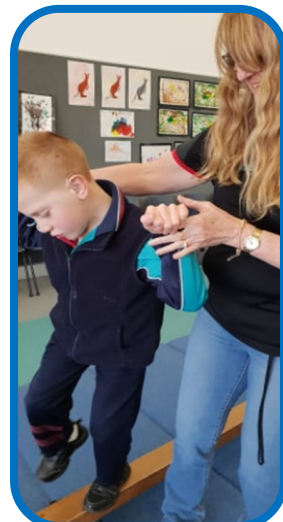

It does not seem possible that we are already at the end of Term 3! What a busy and exciting term Blue Block have had. One of our most exciting things this term has been our weekly gymnastics sessions. It has been amazing watching the students' gross motor skills grow over the weeks, and even better seeing how much all of the students enjoyed gym. There were a range of activities on offer at gym – balancing on the balance beam, swinging from the bar, practising somersaults and jumping on the trampoline, just to name a few. The gym instructors made sure everyone got to participate, so all of the kids had a chance to develop their skills. A big thank you to the instructors for all of their hard work, and Julie Bennett for organising. We had so much fun!

Blue Block students also got to participate in the school's toy library incursion. This involved the students engaging with a range of switch toys, puzzles, books and sensory toys courtesy of Penrith Library. Everyone loved exploring the different activities, and it was great to see the students choosing to interact with activities they wouldn't usually choose. We especially loved seeing the kids making different structures out of wooden blocks, with many proudly showing off their creations. Fantastic effort, Blue Block!

As the term comes to a close, staff are beginning to put forward nominations for next term's Block Leader. A big thank you to Jace in Blue 5 for all of his hard work as Block Leader this term – you have done an awesome job helping out with the day-to-day running of the block, Jace! The end of term will also see us farewell one of our students – Melanie of Blue 5. We are very sad to see Melanie leave, but we are also very excited to see what the future has in store for her at her new school. Keep in touch, Mel – we'll miss you!

Thanks for a great term, Blue Block, and we hope everyone has a safe and happy holiday!

Tara D, Kimberley R, Deb, Ashleigh, Vicki N, Shania, Linda, Cheryl, Ben and Mirelle.

HOMEBASE ORANGE

Welcome to Orange Block News

What a great 3 weeks we have had since our last newsletter! The students have LOVED the gym classes they have been able to attend each Thursday. They have been working on a number of skills, such as balancing and bouncing and swinging. The swinging bar is a favourite, as are the parallel bars. Congratulations to all of the students who really tried their best in their gym sessions. Thank you to Julie B (from Yellow Block) for organising such a fabulous program for the school.

While learning about our amazing bodies, all of Orange Block combined to take part in an afternoon exploring our five senses. We travelled around different classrooms to explore smell (lemons and mint and eucalyptus), sight (lots of light toys and sensory bottles were so much fun), sound (what a fun musical time) and touch (we tried lots of different textures and temperatures). We ended with most of us having a taste of a variety of different types of flavours. We enjoyed this time of exploration very much.

We have been enjoying the wonderful world of poetry in our English sessions. The rhymes are fun, as is the descriptive language. We deepen our understanding of the poems by reading books and other texts on the same subject, and we love a bit of art and craft too.

This week we had fun at pirate day as we raised money for our Year 12 formal. Thank you to the students in Green Block for the delicious treats.

Another busy term is coming to an end. Our students are all starting to look and act very tired, so they will be glad to have a couple of weeks to recharge for another fun term ahead. Enjoy this special time of rest with your families and we will be looking forward to another fun term.

*Alyssa, Kayla, Tyrone, Danielle, Jen,
Naomi, Kylie, Jess and Olivia.*

HOMEBASE GREEN

Welcome to Green Block News

Yarrrr me hearties!!! Green Block has bravely sailed the seven seas to bring the treasure of cupcakes to the rest of the swashbuckling Fernhill School! All classes got into the spirit of pirate day which has been a great help for our Year 12 formal. An incredible \$215 was raised for the event and we are very grateful for all the generosity of our Fernhill community.

Can you believe we are at the end of term already? As we move towards the school holidays, some of our favourite activities are wrapping up. It has been brilliant to see how much enthusiasm and how far our student's gymnastics ability has grown from our weekly sessions. The improvement in skills in soccer and dancing has also been phenomenal, it truly has been an active and exciting term!

Thank you to this term's block leader- Joseph who has done an awesome job in representing Green Block and is always punctual in the delivering the notes for our classes!

Have a safe and happy holiday and we will see everyone in Term 4!

Bye for now, Nathan, Vicki S, Kirsty, Kerry G, Vicky H, Rachael, Tania, Rebecca C, Daniel, Natasha, Meredith.

FERNHILL COMMUNITY NOTICES

As a parent of a Child with special needs I know when I come across something that works I want to shout it from the rooftops so here goes:

*"I LOVE **BILLY** Footwear"*

For years I struggled to find footwear for Annelise that would, **1.** Fit over AFO's and not be 3 sizes too big and **2.** Be cool, trendy and fashionable (most specific special needs products are bland, boring and ugly). Then I came across **BILLY Footwear**, finally they are shipping to Australia and I couldn't wait to get my hands on our first order. It only took a week to arrive.

BILLY Footwear incorporates zippers that go along the side of the shoes and around the toe, allowing the upper of each shoe to open and fold over completely. Thus the wearer can place their foot onto the shoe foot bed unobstructed. Then with a tug on the zipper-pull the shoe closes and secures overtop the user's foot. It's simple! It's easy! For the first time I was not getting up a sweat trying to get a pair of shoes on Annelise! **BILLY Footwear** comes in a huge range of Colours, they now have sizes from toddler to adult and they have high top boots and a shoe. I just wanted to add a little background about the co-founder of **BILLY Footwear**, Billy Price.

Well, after breaking his neck from a three-story fall In October of 1996, our co-founder, Billy, became paralysed from the chest down and lost the ability to move much of his body, Including his fingers. Not only did he suddenly face mobility challenges, but daily tasks that he took for granted, such as putting on clothes, became much more difficult. Throughout the years he learned tricks for getting dressed more easily but that said, the one piece of clothing that always eluded him was shoes—he never found a pair of shoes that he felt were both attractive and that he could put on Independently.

Fast forward half a lifetime later, the solution was born. Between Billy's propensity for problem-solving and Darin's spark for business innovation, they created a prototype that fulfilled Billy's personal needs. But the solution Billy was seeking for his own challenges grew into something bigger it became a mission to create mainstream shoes that are functional, fashionable, and inclusive for everyone.

It is clear that the world is ready for greater inclusion in fashion. Everybody is unique and we all want to express ourselves and feel confident. **BILLY Footwear** is proud to be a part of this movement.

Check out their website: www.billyfootwear.com.
